IMPORTANT COMMUNITY INFORMATION

Taralga Wind Farm – road works and access in Alders and Crees Road

Taralga Wind Farm will soon be working on upgrading sections of Alders and Crees Road and using Alders and Crees Road for access to construct new on-site roads, associated with accessing infrastructure for the wind farm. Activities, including mobilisation of plant and materials, are scheduled to commence on 2 June and will continue for some months, weather permitting.

Activities will generally take place **Monday to Friday from 7am to 6pm** and **Saturdays from 8am to 1pm**, unless otherwise approved. Traffic management personnel will be on site to assist motorists through the road works as required, however there should be minimal disruption to traffic using Alders and Crees Road.

Taralga Wind Farm is committed to minimising impacts and disruption to the community during construction activities.

For further information please visit the website: www.taralga-windfarm.com.au, phone 1800 267 988 or email us at info@taralga-windfarm.com.au.

You can also write to the Taralga Wind Farm at PO Box 89, Taralga NSW 2580.

Thank you for your patience and cooperation as construction of the Taralga Wind Farm continues.
